

The Summer Group show presents works on paper from five artists who utilize different mediums, yet upon the same surface. Each explores their own practice and interests as they head into a new year.

Jo Nolan . Tamara Pavlovic . Zorica Purlija . Steve Starr . Patrice Wills .

ARO gallery 51 William St. East Sydney. Feb 2 – Feb 14.

Patrice Wills – catalogue of works

“This body of work is optimistic, created as 2020 came to an end and as the new year opened up. The slippery and versatile surface of paper enabled immediate impressions of Australian summer life to be captured. These reflections intertwine the artists interior world with the everyday and the elemental, combining what we know and see.”
